Ordering Instructions

1. **Choose your photos:** Horizontal photos display best on photo montages. Pictures that are free from dust, fingerprints or smudges are also best when considering which photographs will work best. Avoid pictures that appear blurry, or whose subjects are positioned near the top, bottom or sides of the picture. The best pictures will have the subjects centered. Please remember that although our technicians may be able to digitally retouch some of your photos, we can not do major photo restoration and therefore will not be able to fix any major cracks, moisture damage, ink marks etc.
2. **Count and Order your photos/media:** If you are using prints of any kind and would like them in a certain order, place a post-it note on the back of each photo. **Please note that writing with a pen or pencil or placing the post-it on the front of the picture may result in damage to the photo.** Also collect any newspaper clippings, birth certificates etc that you would like to be included and make note of where you would like them to be inserted in your montage. Count all your pictures and inserts and decide which one of our packages is right for you.
3. **Choose Your Music:** if you wish to use your own CDs, select the music you want and write the artist and title on the order form. You must include an original copy of the music, which will be returned to you with the completed project. Unfortunately, we are unable to accept home burned discs or MP3 files. If you do not own the music on CD, PricelessDVDSHow.com will purchase it for you, through an accredited music agency,. Please be sure to list the artist, song title and if you would like a specific version of the song (i.e. acoustic) on your order form. Upon completion of the project you will receive a CD with your music on it, to use it as you wish. If you are uncertain of how many songs you will require, please consult our Music Ideas page for an estimate, or contact one of our sales representatives.
4. **Fill out the Order Form:** Fill in all areas of this form, if you have any questions please call us prior to submitting the form. Your original materials must be accompanied by a signed and completed order form. Please include any additional information that you believe will assist your project manager in creating the best montage for you.
5. **Pack everything up!** Package all of your materials, signed order form and payment and mail it to:

PricelessDVDSHow.com
7 Garden Drive
Clifton Park, NY 12065
6. **Sit back and relax!** You will receive a confirmation phone call or e-mail once your materials arrive at our office. You will be contacted by a project manager who will make sure you obtain everything you are looking for in your slideshow. Now all you have to do is anticipate a *Priceless DVD Show!*
